New Facebook Group for Volunteer Opportunities

Is your nonprofit in need of volunteers? Visit the Foundation's new Facebook group to post volunteer opportunities for Steuben County. It's easy! Just use Facebook to search for "Steuben County Volunteers" and click on the Foundation sponsored group. In the upper right hand corner click "Request to Join Group." Once approved, your organization can begin posting volunteer opportunities (repeat or 1 time) for the residents of Steuben County!

We ask that only groups that serve Steuben County post in the group and all requests to join are subject to approval by Foundation staff.

Once we have enough postings, we will begin advertising the group publicly for individuals to view the page and respond to opportunities they are interested in. So, be sure to leave contact information in your post!

For more information [email Shannon](#).

Spotlight, each month we will introduce 1 staff member and help readers get to know them a little better. This month we get to know Shannon Armstrong.

Shannon Armstrong is the current Marketing & Communications Intern here at the Foundation. She is a junior business management major at Trine University, expecting to graduate in May of 2013 (or in an eternity if you ask her!). Once graduated, she hopes to continue working in the nonprofit industry and eventually start her own nonprofit focused on assisting terminally/critically ill patients and their families/caregivers in achieving their life goals.

If you ask what she does in her spare time, Shannon's typical response is "spare time? What's that?" In addition to being a full time student at Trine and interning here at the Foundation, Shannon also works full time at the Angola Ramada and is the Event Chair for the Relay For Life of Steuben County. Her passion for the nonprofit industry shines in everything she does.

On March 1st, Shannon will change her relationship status on Facebook from "in a relationship" to "married." She and her fiancé, Nick, were granted a wedding of their dreams by Wish Upon a Wedding in Indianapolis. The happily ever after begins in less than 40 days (but who's counting?).

Shannon is the youngest of 4 children and grew up in Pleasant Lake. She has a Yorkie-mix who is a whopping 6 pounds named Todo. Nick, Shannon, and Todo enjoy going to the park in the summer and playing in the snow in the winter.

Thank you!

Volunteer opportunities are always available. Please contact us if you have an interest in serving on a committee or in another capacity.

Sincerely,

Your friends at the Steuben
County Community Foundation
